Respected Sir,

In continuation of our registered petition dated 24th June 1946, we beg to approach you to-day to bring to your kind consideration our grievances with the hope of getting them redeemed

OFFICE OF THE
FOR SECRETARIAT & P
Date 9-8-46
No F 25-3

With all our joint and individual applications to the Chairman, City Improvement Trust Board, to permit us to -- construct shop buildings in our own sites facing Dhanvantri Road, as has been done in the case of others we have been given endorsement on the 12th instant to the effect that granting of sites will be taken up after the acquisition is completed When we are prepared to demolish our buildings and construct shop buildings as per approved plan we cannot see any reason why the acquisition has been insisted, if there is no question of disposing the sites at higher rates to persons who are ready to purchase Everything is being done without our knowledge keeping us in suspense Being ratepayers are we not entitled to know the scheme? Where is the necessity of having the depth of the shop buildings uniform which will affect many houses behind rendering many poor people homeless, especially in these hard days

7/8/46
Revised

As such we all humbly request you to kindly inspect the locality in question and order for the withdrawl of the acquisition scheme We all undertake to construct new buildings as per approved plan For which act of kindness we shall ever remain grateful

Mysore,
Dated 19th July 1946
